## RESIDENT NOTICE

Date: July 21, 2025

Reference: Capital Improvement Project Number 2023-10010 – East Water Plant

Dear Resident/Business:

This letter is to provide notice about upcoming construction activities related to the East Water Plant project, located on Lizzie Lane. As part of the efforts to enhance our water infrastructure, the City of Tomball will begin construction of the new water plant starting on July 14, 2025.

### Project Overview:

The project will involve the construction of a new water plant to meet the growing needs of our community and ensure the continued delivery of high-quality water services. The water plant was identified in the City’s Water Master Plan to meet the future projected demands of the City’s water distribution system. The project will include a new water supply well, ground storage tank, and distribution system pump station.

### Construction Timeline:

Construction will begin no earlier than July 14, 2025. Construction will take place over the next 18 months with estimated completion Winter 2027. Construction will generally occur between the hours of 7:00 a.m. and 5:00 p.m., Monday through Friday, though occasional work may take place on weekends depending on project needs. We will strive to keep disruptions to a minimum and will provide information to residents if there are any changes.

While we do not anticipate significant disruptions to residents, there may be periods of increased noise and activity during construction. Please understand there will be inconveniences during construction, including dust, noise, and temporary road blockages, but the City and our contractor, Industrial TX Corporation, will do everything in our power to ensure your daily schedules are not interrupted. Your patience and cooperation are greatly appreciated during this time.

If you need assistance during this time, please feel free to contact myself or any of our project staff.

Meagan Mageo Project Manager (281) 290-1411 <a href="mailto:mmageo@tomballtx.gov">mmageo@tomballtx.gov</a>	Andrew Clark Construction Manager (281) 290-1414 <a href="mailto:aclark@tomballtx.gov">aclark@tomballtx.gov</a>	Andrew Jefferson Construction Inspector (281) 290-1422 <a href="mailto:ajefferon@tomballtx.gov">ajefferon@tomballtx.gov</a>
