RESIDENT NOTICE

Date: September 10, 2025

Reference: Capital Improvement Project Number 2024-10002 – East Hufsmith 16” Water Line Extension

Dear Resident,

This letter is to provide notice about upcoming construction activities related to the East Hufsmith 16” Water Line Extension project. As part of the efforts to enhance our water infrastructure, the City of Tomball will begin construction of the water line extension beginning on September 22, 2025.

Project Overview:

The project will involve the construction of a 16-inch water line along the south side of East Hufsmith Road from Timber Trails Lake Place to Ulrich Road. The project was identified in the City’s Water Master Plan to improve the reliability of water service to your area and meet the future projected demands of the City’s water distribution system.

Construction Timeline:

Construction will begin no earlier than September 22, 2025, and will take place over the several months with an estimated completion in late winter 2026, weather pending. Construction will generally occur between the hours of 7:00 a.m. and 5:00 p.m., Monday through Friday, though occasional work may take place on weekends depending on project needs. We will strive to keep disruptions to a minimum and will provide information to residents if there are any changes.

While we do not anticipate significant disruptions to residents, there may be periods of increased noise and activity during construction. Please understand there will be inconveniences during construction, including dust and noise, but the City and our contractor, ISJ Underground Utilities, will do everything in our power to ensure your daily schedules are not interrupted. Your patience and cooperation are greatly appreciated during this time.

If you need assistance during this time, please feel free to contact myself or any of our project staff.

Meagan Mageo Project Manager (281) 290-1411 mmageo@tomballtx.gov	Andrew Clark Construction Manager (281) 290-1414 aclark@tomballtx.gov	Andrew Jefferson Construction Inspector (281) 290-1422 ajefferon@tomballtx.gov
