## Freeze Safety Information

With colder weather on the horizon, it's important to remember the 4 P's of Freeze Safety:

### PEOPLE

Check on your family, elderly, and neighbors that may need help winterizing their home or a warm place to stay.

### PETS

Bring pets indoors and ensure adequate warmth for livestock.

### PIPES

Cover or insulate exposed pipes, including those underneath raised homes.

### PLANTS

- Bring potted plants inside a shelter or in your garage.
- Apply a thick layer of mulch around outdoor plants.
- Water your plants. Water helps trap heat or slow heat loss around the plant.
