## Don't Dig Information

Please remember, before breaking ground in streets, alleys, or easements, it's crucial to reach out to (800) DIG-TESS (344-8377) or 811. Our utilities team will promptly dispatch a serviceperson to mark underground lines using stakes, flags, or spray paint. To ensure a smooth process, please make this request at least 48 hours in advance. This service comes at no charge, ensuring your safety and preventing potential disruptions
